CBC Opportunities/Announcements

We will be observing "All Saints Sunday" next Sunday, November 3rd. If you have lost a loved one from last November through October and you would like to have them remembered, please turn the name in to the office no later than Wednesday, October 30th.

Do you recycle your Christmas Gift Bags? We need them for our Children's Christmas Holiday House. As we did last year, the children will be able to shop for family and friends. With your gift bags we will be able to provide free wrapping/bagging. Please leave them on the table in the foyer. If you have any questions, please call Jackie Stiffel at 336-247-1609. Thank you for supporting our children

Festival of Tables November 2nd, we are honored to have George Washington Smith. There will be a "Silent Auction" & Quarter Mania Paddles. If you have reserved your seat, we hope to see you there. Any questions, see Ann Burns

2020 Flower Calendar: I have placed a copy of the 2020 flower calendar on the counter in the office. The dates change slightly with each new year and I have tried to keep you as close to the

date you had that I possibly can. Please stop by as soon as possible to review the date you will have for 2020 and note if you want to keep or if you need to remove the date or make any changes. Any questions, see Gerri Hartley

US Flag Retirement – November 11th – 6 p.m.
Tony Barbee Scout Center. You are invited to join Pack 232, Troop 232 and Girl Scout Troop 13065 for a special ceremony to retire worn US Flags. We ask anyone who would like to take part in the ceremony by calling out the name of loved ones, friend or family that served, currently active or deceased. A special ceremony so please mark your calendar and join us.

Everything you have done for us is so greatly appreciated. Thank you for the beautiful plant the wonderful meal after the funeral and most importantly your love, concern and prayers. These past couple of months have been so very difficult but you showing the love of Christ to us has been more comforting than we can express
