RECOMMENDED AMENDMENT TO THE BYLAWS (This will be voted on at a Special Called Business Meeting on October 18, 2020)

The Churchland Baptist Church Diaconate recommends the following changes to Article VII – Church Staff and Leaders for the Pastor in the Bylaws and Articles of Incorporation of the Churchland Baptist Church dated May 7, 1995 – these changes will better define the Pastor’s job description and expectations of that job. The Pastor Search Committee also approves these changes.

Paragraph 2 reads as:

Whenever a vacancy occurs, the diaconate will recommend to the church, at least five members or more in good standing as a pastoral search committee. A pastor shall be called by the church to serve until the relationship is dissolved at the request of either the pastor or church body. In either case, at least sixty days notice shall be given of termination of the relationship, unless otherwise mutually agreed, with both pastor and the church seeking to follow the will of God and the leadership of the Holy Spirit.

Change One: In paragraph 2 – It reads “In either case, at least sixty days’ notice shall be given of termination” etc. --- change to “In either case, at least thirty days’ notice shall be given of termination” etc.

Paragraph 4 reads as:

The pastor shall have charge of the pulpit ministry and all worship services, including receiving new members by acting as moderator, publishing the order of worship for the weekly bulletin, general oversight of the administrative affairs of the church office and staff, publishing and editing the monthly newsletter in accordance with other church leaders and functions, and shall strive to provide the necessary resources for the overall spiritual development of the church and its people.

Change Two: In paragraph 4 – It reads “publishing the order of worship for the weekly bulletin” --- change to “communicating with the church secretary and music director for publishing the order of worship for the weekly bulletin”.

Change Three: In paragraph 4 -- Remove the line that reads “publishing and editing the monthly newsletter in accordance with other church leaders and functions” as we no longer publish a newsletter.

Change Four: In paragraph 4 – The last sentence reads “and shall strive to provide the necessary resources for the overall spiritual development of the church and its people” --- change to read “and shall strive to provide the necessary resources for the overall spiritual development of the church and its people including visitation with the After School Program and the Preschool Program at least once a week per program for 20 to 30 minutes minimum”.

Paragraph 5 reads as:

In order to be effectively involved with the work and ministry of the church, the pastor shall also be an ex-officio member of all organizations, departments and committees and may call a special meeting of such committees as might be required. By being an ex-officio member of all committees, the pastor will have a voice in such matters as business would dictate but will only vote when the committee is deadlocked and requested by the majority of the members present to offer such a vote.

Change Five: In paragraph Five: Add the sentences "By being an ex-officio member of all organizations, departments and committees, the pastor is expected to attend as many meetings of said events as possible such as but not limited to the Children's and Youth Ministry Council meetings and is required to attend Deacon and Finance Committee meetings. The pastor shall attend as many outreach, fundraising and mission sponsored events by the people as possible (examples: BBQ Chicken Fundraiser; Relay for Life; Poor Man's Supper and Blue/Gold Scouting banquets)."

Paragraph Six reads as:

The pastor shall always remember to be a minister to the people, in every way respecting the authority and autonomy of the people in all things, and through love and faith, serve them effectively and obediently according to the guidance and direction of the Holy Spirit.

Change Six: In paragraph Six: Change to read: "The Pastor shall always remember to be a minister to all the people but especially our homebound; nursing home and hospital patients with an in-person visit or communication via phone, and in every way respecting the authority and autonomy of the people in all things, serve them effectively and obediently according to the guidance and direction of the Holy Spirit".
