## **Wednesday Adult Connect Group Study** **Parables of Jesus from Matthew/Mark/Luke**

When people talk about the ministry of Jesus, it's easy to focus on his miracles. Jesus performed some amazing miracles that the world had never seen (and hasn't seen since). But one of the most exciting things about His ministry was the way he taught. Jesus taught using parables which were simple stories that had the intention of giving a spiritual lesson. Mark 4:34a makes the statement that He [Jesus] did not say anything to them without using a parable. Over the next few weeks in our Wednesday Connect Groups we're going to look at forty of Jesus' parables in the Gospels of Matthew, Mark and Luke. With each parable, we will look at its explanation and application into our lives.

#### A Sermon Series on the Ten Commandments

Most Christians would probably agree the Ten Commandments are a top priority. Most Christians would also say it is important to display the commandments in public places. What is ironic is many of those same Christians don't have that same passion for studying (or obeying) the commandments, much less teaching them to our children. In this series, we will examine each of the Ten Commandments. We will both explain the commandment and also find its application into our lives. This series begins on **Sunday, July 24, 2022.**
