**God's Original Top Ten List
Introduction - Exodus 20:1-2**

Introduction – God, in His infinite wisdom, gave to us a set of guidelines called the Ten Commandments that serve as a boundary or guardrails for life. For the next several weeks, we're going to look at each of the Ten Commandments. This morning we will look at the importance of the Ten Commandments in our life:

The Ten Commandments teach us much about G_____
(20:1-2) I am the Lord your God, who brought you out of Egypt, out of the land of slavery.

The Ten Commandments are God's a_____
W_____ (Exodus 20:1-2). And God spoke all these words.

The Ten Commandments are p_____ (Exodus 31:18).
When the LORD finished speaking to Moses on Mount Sinai, he gave him the two tablets of the covenant law, the tablets of stone inscribed by the finger of God.

The Ten Commandments serve as a g_____ for
r_____ and w_____.

Conclusion – we close this morning with some final application:

K_____ and L_____ the Ten
Commandments

T_____ them to your c_____ (Deuteronomy 4:9) Only take heed to yourself, and diligently keep yourself, lest you forget the things your eyes have seen, and lest they depart from your heart all the days of your life. And teach them to your children and grandchildren. **(Joshua 1:8)** This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.
