CONNECT WORSHIP

Too Blessed to Be Stressed (Part one) Psalm 23:1-6

Introduction – there are at least six things in life that can cause us stress. The Psalmist, in the 23rd Psalm, gives us wise insight into how

to handle our stress. For each of the things that cause stress, there is an admonition from Scripture:

To handle the stress of w_____, I must look to God to meet all my n_____ (v. 1). The Lord is my shepherd, I shall not want.

To handle the stress of h_____ I must o_____ God's c_____ to r_____ (v.2a). ²He makes me to lie down in green pastures.

Three things to do on the Sabbath

R_____ your b_____ (p_____).

R_____ my s_____ (w_____).

R_____ my e_____ (r_____).

To handle the stress of the c_____, I need to observe the b_____ around me (v.2b-3). He leads me beside the still waters. ³He restores my soul³ He restores my soul;

How to enjoy beauty.

1. Get in t_____ with God's c_____.
2. Start with the d_____ with G_____ not m_____.
3. I_____ put b_____ around you.

Conclusion – God help us to claim these truths and be too blessed to be stressed.
