Thank you

A very special thank you for the support you have shown for the Scouting program by attending our Poor Man's Lunch. It was a tremendous success. And for all of you who provided one or more desserts, a huge "THANK YOU" we could not have done it without you. Thank you for your love and support of Churchland Baptist Church scout groups. Troop and Pack 232

Dear Churchland Baptist: Each year the West Davidson Christmas Program is so blessed by your generosity. We sincerely appreciate your kindness and support. The program would not be a success without you. Thank you for sharing the love of Christ by helping "the least of these". May God bless each of you. The WD Resource Center

Wanted!!!! Men to Stand in the Gap Ezekiel 22:30-31

"I looked for a man among them who would build up the wall and stand before me in the gap on behalf of the land so I would not have to destroy it, but I found none. So I will pour out my wrath on them and consume them with my fiery anger, bringing down on their own heads all they have done, declares the Sovereign LORD."

Introduction - In the days of Ezekiel, God sought a man to stand before Him in the gap. We live in a day very much like Ezekiel and this text is a call for men

today to Stand in the Gap.

D _____ **S** _____ (30a). I (God) looked for a man among them who would build up the wall and stand before me in the gap on behalf of the land so I would not have to destroy it,

U _____ **R** _____ (30b). God found NONE

T _____ **C** _____ (31). So I will pour out my wrath on them and consume them with my fiery anger, bringing down on their own heads all they have done, declares the Sovereign LORD."

Conclusion – What do these men look like, what qualities do they possess. They will be:

Men of c _____

Men of i _____

Men of f _____

Men of a _____

Conclusion - who will commit today to be a man to stand in the gap?

Motion from Technology Committee and Deacons

Presented as information 1/22/23.
Explained by Chair of Deacons 1/29/23.
Vote on 02/05/23

Motion – the Technology Committee and deacons recommend accepting a quote from Precision Technical Solutions for upgrades to our video system and lighting to enhance our worship and communication. It involves four steps:

1. **The installation of two short throw laser projectors on each side of the baptistry.** This will **not** require a screen or monitor on the wall. This will allow us to discontinue using the center projector and screen which blocks the baptistry and the cross. This will also provide a clearer picture and give us more options to communicate.
2. **The installation of a monitor at the rear of the church on the balony overhang** which will allow the pastor to be able to see the slides (scripture/outline) and also those on stage to be able to see the words to hymns, songs, or notes.
3. **The installation of stage lights on pulpit.** Our current lighting (one light) on the stage is not adequate for filming worship due to the light from the windows. This will also provide additional light for programs and events.
4. **Purchase a Dell computer with church presentation software (Media Shout) to be used during worship (hymns, video, sermon outline).** We are currently using the pastor's laptop for presentation. This is a desktop computer and which is a more stable setup and an upgrade to the software we are presently using.

The total cost for this is \$26,312.00 The deacons recommend that money be taken from Building Fund with the following stipulation: once per quarter the deacons will plan a fund raiser with funds being put back into the building fund.
