Invitation Hymn #320 – Turn Your Eyes Upon Jesus

Benediction – Family of God

I'm so glad I'm a part of the Family of God, I've been
washed in the fountain, cleansed by His blood! Joint
heirs with Jesus as we travel this sod, For
I'm part of the family, The Family of God.

Postlude – Roy Hicks

Is My Worship Really Pleasing to God? Mark 11:15-17

¹⁵ On reaching Jerusalem, Jesus entered the temple courts and began driving out those who were buying and selling there. He overturned the tables of the money changers and the benches of those selling doves, ¹⁶ and would not allow anyone to carry merchandise through the temple courts ¹⁷ And as he taught them, he said, “Is it not written: ‘My house will be called a house of prayer for all nations’? But you have made it ‘a den of robbers.’”

Introduction – *the real question of worship is not what it looks like but, is God pleased with my worship. In our text this morning Jesus becomes angry at what He sees in the Temple. Four things made Jesus angry and are applicable in our lives today.*

I believe Jesus is not pleased when r_____ takes the place of a r_____ (Mark 11:15-17).

I believe Jesus is displeased with our worship when c_____ takes the place of d_____ (Mark 11:15-17)..

I believe Jesus is displeased with our worship when s_____ s_____ takes the place of s_____ g_____ (Mark 11:15-17).

I believe Jesus is displeased with our worship when it is focused on a p_____, p_____, or t_____ and not towards God (Mark 11:15-17).

Conclusion so when all is said and done, is Jesus pleased with my worship?

Motion from Technology Committee and Deacons

Presented as information 1/22/23.
Explained by Chair of Deacons 1/29/23.
Vote on 02/05/23

Motion – the Technology Committee and deacons recommend accepting a quote from Precision Technical Solutions for upgrades to our video system and lighting to enhance our worship and communication. It involves four steps:

1. **The installation of two short throw laser projectors on each side of the baptistry.** This will **not** require a screen or monitor on the wall. This will allow us to discontinue using the center projector and screen which blocks the baptistry and the cross. This will also provide a clearer picture and give us more options to communicate.
2. **The installation of a monitor at the rear of the church on the balony overhang** which will allow the pastor to be able to see the slides (scripture/outline) and also those on stage to be able to see the words to hymns, songs, or notes.
3. **The installation of stage lights on pulpit.** Our current lighting (one light) on the stage is not adequate for filming worship due to the light from the windows. This will also provide additional light for programs and events.
4. **Purchase a Dell computer with church presentation software (Media Shout) to be used during worship (hymns, video, sermon outline).** We are currently using the pastor's laptop for presentation. This is a desktop computer and which is a more stable setup and an upgrade to the software we are presently using.

The total cost for this is \$26,312.00 The deacons recommend that money be taken from Building Fund with the following stipulation: once per quarter the deacons will plan a fund raiser with funds being put back into the building fund.
