MISSION: POSSIBLE

Mission Possible Exodus 3:1-10

Introduction – what happened at the burning bush years ago changed world history. It seemed like a mission impossible that became a mission possible:

An o_____ d_____ and an o_____ s_____

(3:1). Meanwhile, Moses was shepherding the flock of his father-in-law Jethro, the priest of Midian. He led the flock to the far side of the wilderness and came to Horeb, the mountain of God”

An E_____ B_____ **(3:2-3)** Then the angel of the Lord appeared to him in a flame of fire within a bush. As Moses looked, he saw that the bush was on fire but was not consumed. So Moses thought, 'I must go over and look at this remarkable sight. Why isn't the bush burning up?.

A p_____ c_____ **(3:4-5)** When the Lord saw that he had gone over to look, God called out to him from the bush, Moses, Moses!' Here I am,' he answered. 'Do not come closer,' he said. 'Remove the sandals from your feet, for the place where you are standing is holy ground.

A D_____ r_____ **(3:6-10)** Then he continued, I am the God of your father, the God of Abraham, the God of Isaac, and the God of Jacob.' Moses hid his face because he was afraid to look at God.

I am means he's the Personal God

I am means He's the Eternal God

He's the Faithful God: "The God of your father."

He's the Powerful God—"I have seen and heard."

He's the Saving God—"I will rescue them."

Conclusion – all God asks is that we make ourselves available to him. May we all say Lord, Here I am. Send me!
