Recommendation from the Building & Grounds Committee:  
Due to the age, the roof over the sanctuary is deteriorating. After viewing several options, it is the recommendation of the Building & Grounds that the entire sanctuary building be re-covered with new underlayment plus 30 year shingles. The total cost is \$50,000. The Finance Committee proposed that the work be done with the funds coming from the Building Fund. This will be voted today.

“Pastor Don announces the beginning of a new Wednesday Connect study called “Am I Really a Christian?” This 8-week “deep dive” study deals with our understanding of the basics of salvation. So many people are not absolutely certain of their salvation and need assurance.; We will thoroughly examine what the Bible says about the most critical subject, perhaps some of the most important questions we can answer in this life. Come and join us at 6:30 p.m. every Wednesday in the sanctuary for a study that will strengthen your confidence of salvation and provide much needed Bible truth we can share with others as well.”
